General and Revenue Secretariat.

Med File No. 15 of 1912-13

Serial No.

None of the officers who held the post of Dunbar Surgeon in Mysore. Viz Col: McGann, Captain Carr White & Lt. Col. Smyth were ever placed in charge of the General Hospital at Mysore If ~~as~~ the Dunbar Surgeon is to accompany H. H. the Maharaja on tour, it will necessitate ~~the~~ temporary arrangements being made for the charge of the Genl Hospl during the Dunbar Surgeon's absence from Mysore. Such arrangements, if frequent, will perhaps be inconvenient Thus it seems necessary to ascertain the pleasure of His Highness in the matter before the Senior Surgeon's proposal is given effect to.

3. With refce to para 5 of the Senior Surgeon's memo, it is a question whether it will not be more economical to supply medicines &c to the Genl Hospl, Mysore thro the Govt Medl Stores which obtains wholesale the supplies required for ~~all~~ the Medl wants in the State.

As to para 6 of the memo. As the constn of the Hospl building will be undertaken by the P. W. D in accordance with approved plans

NOTE—Contn. sheet.

the nature of Supervision expected of the Dunbar Surgeon is not clear.

Correspondence between Col: McGann as Dunbar Surgeon and the Govt was carried on direct and not thro' the Senior Surgeon; whereas Comm[ns] relating to Capt. Carr White & Lt-Col. Smyth both of whom were also Dunbar Surgeons were being addressed thro' the Senior Surgeon. It seems to be open to Govt, however, to prescribe such mode of correspondence in respect of major Foulkes, as they may deem fit. Please see also G.O. No. 2907-8 of 10.12.03.

Copies of Comm[ns] relating to Dr. McGann were being sent by Govt to the Senr. Surgeon also for inform[n].

Rdm 61
12.7.12

4 In para 9 of Govt order No 9 65 78-81 / 9 M 76-11-15 appointing Major Foulkes as Dunbar Physician & Surgeon, it is stated that Major Foulkes will be given facility of Hospital practice in the same way as a regular member of a Hospital Staff, so far as possible without detriment to his legitimate duties. The present proposal of the Senior Surgeon to place the Dunbar Surgeon in charge of the General Hospital Mysore seems to be

File taken to be put up for perusal with D. No: 1748/1912
Rdm 12/7/12

NOTE—Contn. sheet.

General and Revenue Secretariat. | Red File No. 15 of 1912-13

Serial No.

in accordance with this understanding. The two main points of the scheme proposed by the Senior Surgeon are (1) that the Dt Medical Officer Mysore should be divested of his official connection with the General Hospital, Mysore which should be placed under the immediate charge of the Durbar Surgeon (2) & that the Durbar Surgeon, so far as the work in connection with the Hospital is concerned should be practically under the Senior Surgeon. As regards the first point, it is a question for consideration whether he could hold charge of the Hospital without detriment to his legitimate duties & ~~whether~~ what arrangements have to be made ~~in connection with~~ whenever the Durbar Surgeon accompanies His Highness on tour. These points are not adverted to, in the Memo of the Senior Surgeon and have to be made clear before the proposal is accepted. As regards the 2nd point, it is understood that the previous Durbar Surgeons were somewhat independent of the Senior Surgeon; & the relations that

NOTE—Contn. sheet.

R. S. 12]

General and Revenue Secretariat. | Med File No. 15 of 1912-13

Serial No.

should
heard to exist between these two high
Officers have not to be considered. In
this connection attention is respectfully
invited to His Highness Orders regarding
the Constitutional position of the Durbar
Flag F Surgeon dated 14-11-03 + dated
Flag B 5-12-03.

5. As regards the details of the
Scheme, the Senior Surgeon in para 3.
of his mem states that the Dt medical officer is to have
no official connection with the Genl Hospl
but at the end of the para, it is
added that while at Hd Qrs, he will
work at the Genl Hospital doing such
duties as may be assigned to him
the Durbar Surgeon". This is rather
anamolous and perhaps likely to
lead to friction. Having been divested
of his charge of the Hospital, the D. M
Officer's position will be a difficult
one, having no defined duties to
perform. As there will be a full staff
of Resident Medical Officers, Asst Surgeons
Sub Asst Surgeons, after the Hospital,
it will perhaps be desirable if the
D. M Officer is not asked to do
the hosp work in the Hospital

Serial No.

unless his position and duties are more fully & clearly defined.

6. Para. 5. The Senior Surgeon proposes that Special arrangements should be made for the supply of medicines to the General Hospital. The object of this is not made clear.

7. Para. 6. There seems to be no objection to this para. What is meant is perhaps that he should be consulted as regards the arrangement of rooms, operation theatre etc.

8. The memo of the Senior Surgeon does not make it clear whether his proposals involve extra cost to Govt. So far as the Genl Hospital is concerned, there is no reason for thinking that any extra cost will has to be incurred. But as regards the Dr medical officer, it is not so clear. He is still to have the administrative charge of the District & the establishment at the Genl Hospital is proposed to be kept under the orders of the Dunbar Surgeon, it follows that separate establishment has to be given or found for the

Serial No.

Dt. Medical Officer unless to do his clerical work. It has to be ascertained whether any clerk can be spared from the Genl Hospital to do duty under the Dt. Medical Officer.

9. The Senior Surgeon does not discuss the question whether the Dt. Medical Officer will have sufficient work for him, if he is to be divested of the charge of the Genl Hospital. He presumably, he will have, as Mysore is a large district and he can devote more attention to touring and inspection work, now that he is not to be tied down to Mysore, on account of the Hospital. In this connection it may also be pointed out whether it would not be desirable to combine the two offices of the Dt. medical Officer & the Dt. Sanitary Officer in one person, as the Dt. Medical Officer, under the suggested scheme, would be relieved of the onerous charge of the General Hospital.

GPH—23,000—20-12-12

Submitted to His Highness.

13 These papers relate to a slight rearrangement of medical duties in the Civil Hospital at Mysore, whereby the Durbar Surgeon Major Foulkes may be allowed opportunity to practice his profession. The Senior Surgeon has, with his letter No.G 12 A dated 10th instant, submitted a memorandum of proposals with the concurrence of Major Foulkes.

2. The Second Councillor is of opinion that the proposals of the Senior Surgeon except that in para V may be sanctioned. This para V relates to the supply of medicines instruments and accessories required for General Hospital, Mysore. The Second Councillor also suggests for consideration the question why the District Medical Officer thus relieved of general hospital duties, may not be District Sanitary Officer also.

3. It seems to me that the Senior Surgeon's proposals may be approved with a reservation in respect of the two points raised by the Second Councillor as to which further enquiry can be made.

PRIVATE SECRETARY MYSORE

The Palace, Bangalore,
27th July 1912.

My dear Sir,

I am directed to return file No.436 dated 22-7-12 and to say that His Highness approves of the memorandum submitted by Dr.Achyuta Rao in consultation with Major Foulkes. It is an essential part of the proposals made by these officers that the supply of medicines, instruments and accessories required for the Mysore Hospital should be obtained direct from England or elsewhere by the Durbar Surgeon, and His Highness cannot therefore approve of any modification of para 5 of the memorandum. The question whether the District Medical Officer of Mysore should be given the work of District Sanitary officer may be considered separately. I send you a private letter which I have just received from Major Foulkes and in which he gives an approximate figure relating to the requirements of the Hospital. Would you kindly pass it on to Dr. AchyutaRao. I think it well to give you the earliest possible notice of Major Foulkes' requirements as it

MEMO

1. The charge of the General Hospital which is now held by the District Medical Officer, Mysore, to be transferred to the Durbar Surgeon with effect from date of Government Order on the representation that will be made by the Senior Surgeon.

2. A permanent staff consisting of a Resident Medical Officer and an Assistant Surgeon with two or three Sub -- Assistant Surgeons & a Lady Apothecary to be placed under the orders of the Durbar Surgeon. The rest of the staff consisting of Nurses, clerk, ward-boys, men and women coolies &c., to be under the orders of the Durbar Surgeon.

3. The District Medical Officer, Mysore, to have no official connection with the General Hospital but to continue to hold the Administrative Medical charge of the District excluding the General Hospital. He will continue however to be the Superintendent of the Jail and of H.H. the Maharani's Hospital. While at Head Quarters however he will work at the General Hospital doing such duties as may be assigned to him by the Durbar Surgeon.

4. Reports, Statistical and other returns &c., connected with the General Hospital to be forwarded as heretofore to the Senior Surgeon by the Durbar Surgeon and all correspondence connected with the General Hospital & intended

for

for the information or orders of the Government also to be carried on through the Senior Surgeon.

5. Medicines, instruments and accessories required for the General Hospital to be got direct from England or elsewhere by the Durbar Surgeon, the bill of cost, duly countersigned by him, being sent on to the Senior Surgeon for incorporation of the amount in his office records and forwardal to the Comptroller for payment.

N.B. An indent for the current official year's (1912-13) supply to be -- framed and sent on early to the Senior Surgeon to enable him to get the requisite additional grant, if any, sanctioned by the Government.

6. The Durbar Surgeon will be -- requested to supervise the construction of the proposed new building for the General Hospital, Mysore, and to help in equipping it.

7. The Durbar Surgeon will be requested to get ready a forecast indent for the full equipment of the proposed new Hospital to enable the Senior Surgeon to get the timely sanction of the Government for a special lumpsum grant.

Sir,

In reference to para 2 of Government Order No.1246-51 Medl 15-12-2, dated, Bangalore, 8th August 1912, I have the honor to state that I do not think it would be feasible to assign to the District Medical Officer of Mysore the duties of the District Sanitary Officer in addition to his own, for the following reasons:-

1. The Mysore District is the largest District in the State.

2. There are, the Jail and Her Highness the Maharanee's Hospital to be also looked after, by the District Medical Officer and the continued long absence of the District Medical Officer on Sanitary duties every month in his capacity as the Sanitary Officer, would not be conducive to the well being of these two institutions.

3. Since the District Medical Officer was hitherto in charge of the General Hospital also, the services of an Assistant Surgeon were available to look after the Jail whenever he was away on Inspection duty for short periods, but under the altered circumstances of the case he will have no graded officer
